Principals Message: We had our last scheduled parent-teacher conferences of the 2023-24 school year on February 22nd. Thanks to all of the parents who attended. Please know that you can continue to stay connected with what's happening here at school and your child's grades by checking the Family Access function on our SHS Home Page.

Our students recently completed their high school course selections for the 2024-25 school year. Course selections are important in determining the courses offered, class sizes, number of sections, and staffing. These and other factors such as time conflicts between courses as well as limitations on the number of sections and courses offered all impact the success of a student getting their requested courses. At Slinger, our scheduling process is a very lengthy one. We do numerous practice runs of the schedule to minimize conflicts and provide students with a schedule that includes most of their requests. While no schedule will accommodate the requests of all students, ours has a much higher success rate than others.

As of the writing of this newsletter, our senior students are completing the home stretch of their time at SHS. We are proud of their achievements and look forward to our Graduation Ceremony on June 2nd at 1:30 pm when we can appropriately honor the students who have completed the graduation requirements of the School District of Slinger. An additional opportunity to honor our seniors will take place on May 16 at 7:00 pm when we hold our annual Awards Night Program.

As always, thanks for your continued support of the Slinger School District. We look forward to a positive conclusion to an excellent school year.

High School Principal

WISCONSIN CIVICS EXAM GRADUATION REQUIREMENT

In accordance with Wisconsin State Act 55, all students, starting with the Class of 2017, must take a civic test comprised of 100 questions that are identical to the 100 questions that may be asked of an individual during the process of applying for U.S. citizenship by the United States Citizenship and Immigration Services. The student must correctly answer at least 65 of those questions in order to graduate from high school. Those students taking American Studies 3 with either Mrs. Stolaski or Mr. Wolf this spring will have an opportunity to take this civics exam during their scheduled class on either **Thursday, May 16th or Friday, May 17th**. For more information about the required civics exam a parent can contact Mrs. Stolaski or Mr. Wolf or you can view the following link from the Wisconsin Department of Public Instruction: <https://dpi.wi.gov/social-studies/laws/civics/faq>.

WIAA ADJUSTED GRADING POLICY

SPRING SPORT - Quarter 3 Grade Check – April 5th

- Grades were due to the guidance office on Friday April 5th, so the grade check was performed that day.
- Any athletes receiving a failing grade or incomplete grade will be ineligible for **15 school days and nights** from competition (we cannot count weekends or spring break days)
- During that period of ineligibility, those said students remain part of the team, still practice, attend everything team related - they are just not permitted to compete
- On the **16th school day** the athlete can regain his/her eligibility as long as he/she is passing **ALL** grades reported on Skyward - per the **cumulative Semester 2 mark**
- Athletes may regain their eligibility status on Friday, April 26th as long as they are passing all their classes per the cumulative mark
- If not passing by the 16th school day, then the ineligibility period is extended day-to-day until the athlete is passing all classes per the cumulative mark

FALL SPORT - Semester 2 Grade Check

- Students who participate in a fall sport are also subject to a grade check using the "Semester 2" grade. The WIAA requires schools to use the following grid to determine the period of ineligibility for a student who receives a failing grade at the end of the second semester: <https://www.wiaawi.org/Portals/0/PDF/Eligibility/academicineligibility.pdf>

ATTENDANCE REMINDER - Co-Curricular Code

- Students must be in attendance for all scheduled classes to be eligible to practice, perform, or participate in an activity. (Exception: a senior student may leave 3rd block if he/she qualifies for open campus). Students in Physical Education must participate in the class to be eligible for practice or games that day. Excused absences not including illness during the day, are at the discretion of the school administration. (ie: funerals, doctor or dental appointments, college visits) A student may miss up to two (2) blocks for an appointment. The doctor/dentist/college must verify the appointment. Any other exceptions are at the discretion of administration.

HONOURS INC. SCHOLARSHIP CEREMONY

Parents please remind and encourage your senior to bring this information to the guidance office. This information will be included in the awards night program. Deadline to submit scholarships is Friday, May 10th.

Seniors - All colleges require students to submit a final high school transcript after graduation. It is the students' responsibility to submit a request through Parchment (www.parchment.com) to have it sent to the college that he/she plans to attend in the fall. If you have questions, contact your son/daughter's counselor.

Direct Admit Wisconsin - Beginning this summer, Slinger High School will be participating in a new college admission program called Direct Admit Wisconsin. All of the UW Colleges are part of the Direct Admit Wisconsin program, with the exception of UW Madison, UW Eau Claire, and UW La Crosse. Juniors that opt into this program will have their transcript reviewed by Direct Admit Wisconsin and will receive communication in July from each UW that is providing the student direct admission. This is a voluntary program that students opt in to. No application is required. The counseling office will be sending detailed information to the junior class in the upcoming week.

The Wisconsin Guarantee - This spring Governor Evers signed into legislation The Wisconsin Guarantee that states students who are in the top 5% of their graduating class will be admitted to all UW colleges. The top 10% of students in their graduating class will be guaranteed admission to all UW Colleges with the exception of UW Madison.

If a student is interested in UW Madison, UW Eau Claire or UW LaCrosse an application for admission will be required. For students that opt into Direct Admit an application will not be required to all other UW colleges. **However, if a student is not opted into Direct Admit an application will be required to the college.** Here is a link for more information about the new programs. <https://www.wisconsin.edu/wisconsin-guarantee>

The National competition is in June, good luck to all competitors!

The Slinger SkillsUSA Chapter prides itself on promoting technical skills, leadership, and citizenship. We accomplish that by competing against other high schools in a variety of technical fields and leadership contests, and through promoting good citizenship by performing community service projects. Next year we will be looking forward to competing, volunteering and growing our chapter. Anyone who takes a Tech. Ed. class and would like to challenge themselves can sign up for SkillsUSA.

This October be on the lookout for our Annual Mattress Fundraiser. This has been an excellent fundraiser for us and we hope for continued support from the Slinger community. If you have any questions about anything SkillsUSA related, or if you'd like more info for your son/daughter, please contact Matt Kolpack – matthew.kolpack@slingerschools.org or brent.hug@slingerschools.org

TEACHER APPRECIATION WEEK MAY 6-10

Student Council would like to recognize our wonderful teachers and staff for Teacher Appreciation Week May 6-10. They do so much for students, and StuCo wants to thank teachers with a week filled with activities, recognition, trivia games, and lunch each day. They need your help to make this successful.

Student Council members will be making door signs for each teacher. They will be making announcements and trivia contests. They are looking to give away raffle prizes each day for teachers. If you would like to donate a prize or money for lunch, please bring it into the school office to give to Mrs. Amy Keliher, Adviser, anytime between now and April 29th. Prizes can be a gift card or cash/check written out to Slinger High School.

This is our seventh annual event, and the teachers LOVE it! They say it is their best week of the year. Student Council received tons of raffle prizes in the past so that 80% or more of the faculty received something. Contact amy.keliher@slingerschools.org for more information.

In addition, Student Council is participating in a new fundraiser: They will be selling Amy's Gourmet Caramel Apples (located in Cedarburg) April 22-May 2. Look for a flyer in the coming days. It will be a great treat for Mother's Day, Teacher Appreciation Week, or just to indulge yourself.

Finally, save the Date for Hootie Fest on Friday, August 30, 2024, from 12-7pm on the athletic fields. Student Council and DECA are working hard behind the scenes to secure sponsorships and fill volunteer spots.
