## Slinger High School

[www.slinger.k12.wi.us](http://www.slinger.k12.wi.us)

Phil Ourada, Principal

Patti Harmann, Associate Principal

Mike Daniels, Activity/Athletic Director

**PRINCIPAL'S MESSAGE:** It is hard to believe, but the 1<sup>st</sup> quarter of the school year is complete. Our fall sports season has concluded, and one of the major social events of the school year, Homecoming, was held the week of September 30<sup>th</sup>. Homecoming is a special time at Slinger High School. The annual tradition includes Spirit Week dress-up days, float and gym decorating, the pep rally with the wonderful Memory Skit, athletic contests, the parade and the dance. The students made homecoming and the first quarter of school a big success.

Our high school musical, *Hello, Dolly!*, was performed November 3<sup>rd</sup> – 5<sup>th</sup> and it was exciting to see all of our talented students take the stage to perform. Numerous students were involved in the production of this year's show and it was exciting to see all of their hard work come together in those three shows. Thank you to everyone who came and saw the show! This was the last musical ever in our auditorium and I can't wait until the new auditorium opens next fall.

As always, thank you for giving us the opportunity to work with your children.  
Take care and Go Owls!

Phil Ourada  
High School Principal

Weather conditions could result in the one of three actions being taken by the District:

- 1) **A Two Hour Delay: to allow road crews time to clear the roads**
- 2) **A School Closing: because unsafe conditions will persist all day**
- 3) **An Early Release: due to impending unsafe conditions at normal dismissal time**

With regards to wind chill weather decisions we will use the following as a guideline:

- 1) **Wind Chill Advisory: School will remain open (We had 13 such days last year)**
- 2) **Wind Chill Warning: School will likely close**

## VACATIONS – EXTENDED ABSENCES

Regular school attendance is important for student success but we understand there are times when it is necessary for you to remove your child from school due to personal, educational and medical reasons. Because of our accountability to the State Department of Public Instruction, we must maintain accurate attendance records and submit them annually to the state agency.

We want to work cooperatively with families to ensure accurate attendance. We can achieve this through the following: please call in absences the day of the absence (our attendance line, 644-6204, is available 24 hours/day), students with an extended absence must notify the attendance secretary and submit the proper absence form, students who miss school due to a medical, dental or court appointment should bring documentation of their appointment and this absence will not count toward the 10 day excused absence limit.

If you have any questions about the procedures, please contact the attendance secretary Mrs. Cagle (644-5261) or email her at [deanna.cagle@slingerschools.org](mailto:deanna.cagle@slingerschools.org).

## GUIDANCE NEWS

### **Attention Seniors**

Seniors are not required to meet with their counselor; however they are available to help with post-secondary planning and resources. Seniors are encouraged to complete their college applications prior to Thanksgiving break. Student's applications are not considered complete until all documents are received in the admissions office. This includes the application, fee, high school transcript, and ACT/SAT score. Students can order their transcript on-line by going to the guidance webpage and clicking on transcripts (the cost is \$3.33) or by stopping in the guidance office and filling out a transcript release (the cost is \$5.00) Parents are encouraged to call or e-mail if they have any questions.

### **Scholarships**

Scholarship information is available in the guidance office or on the guidance webpage. There are a variety of local and national scholarships along with individual scholarships from colleges and universities. Seniors should check periodically for new scholarships that are available. An excellent scholarship search site on the web is [www.fastweb.com](http://www.fastweb.com). Other helpful websites for financial aid are [www.uwhelp.wisconsin.edu](http://www.uwhelp.wisconsin.edu) and [www.fafsa.ed.gov](http://www.fafsa.ed.gov).

### **Junior Meetings**

The counselors will start conducting individual planning meetings in January with all junior students. We recommend that parents attend this meeting with their son or daughter. This will be a time to discuss each individual's plans for after high school, college entrance testing, and other topics related to making plans for senior year and beyond. These meetings will be scheduled during the student's study hall and will last approximately 40 minutes. A letter will be mailed home stating the scheduled time, options to reschedule and other information.

## THE BIZ BUZZ

The SHS business department and DECA has been busy participating and planning some very important events:

- **The Rookery:** The Rookery is still taking donations of 5 items for the Slinger Food Pantry until Thanksgiving break. Anyone who donates will get a scratch off card good for 15-25% off their entire purchase. Coupons are good till Christmas break. Also, starting after Thanksgiving Break through Christmas, we will be offering FREE holiday gift wrap on all purchases over \$20.
- **Intro to Marketing:** Students get real world work experience at The Rookery! This practical experience has provided a wealth of learning. Students learn how to use a register, provide proper customer service and know the importance of basic employability skills. One student was quoted saying, "I've never had a job before and now, by knowing how to talk to people and ring up sales, I feel I will be able to get my first real job so much easier. It's a great experience."
- **October:** "Trick-or-Can" DECA and the Sports & Entertainment Marketing students held their 5th annual community wide event to benefit the Slinger Food Pantry. The primary objective for "Trick or Can" was to collect food and other necessary items for the local pantry. Students who took part in this event created a written proposal, assembled as well as distributed over 1,000 flyers/bags in the community and collected donations. In total our students collected over 2,347 items --an amazing accomplishment! Thanks to our Sports and Entertainment students for helping spread the word about this amazing event!
- **October** – LA LA LA Lambeau. Students enrolled in Sports & Entertainment Marketing went on a tour of Lambeau Field and sat in on a presentation to learn more about the 'business side' of sports and how to get careers and internships within.
- **December 11-15: "DECA THE HALLS"** This week long promotional event helps bring holiday spirit to the high school while also promoting business-related careers and DECA. This year's theme is: "The Grinch". We look forward to seeing all those "ugly" holiday sweaters and holiday jammies!
- **January 6 (Saturday):** DECA district competition @ Kettle Moraine HS.
- **Is your son or daughter in DECA?** Slinger DECA is looking for volunteers to help judge at their first competition the morning of January 6<sup>th</sup>, 2018. The District Competition is taking place at Kettle Moraine HS in Whales. No experience is needed. Judging is super fun and extremely rewarding. This is your chance to see what your son and daughter get to do in DECA! For further information, contact Mrs. Smessaert at: [kim.smessaert@slingerschools.org](mailto:kim.smessaert@slingerschools.org)

*Any questions, concerns or ideas regarding the events listed above, please contact a business/marketing education teacher.*

## SOCIAL STUDIES HAPPENINGS

**VETERAN'S DAY** is November 11<sup>th</sup>. To help our students connect with history and public service in their lives, the Social Studies department has organized several fall activities. American Studies I students made a return appearance to the Kenosha Civil War Museum, a museum devoted to sharing the effects of the U.S. Civil war on people from the upper Midwest. Several ties to conflict are made as the students work on interactive/skill-building activities revolving around military life and the impact of war on everyone's life.

In keeping with the importance of Civic virtue, the Social Studies Department takes the lead in recognizing Veteran's Day. This year we are sponsoring a collection drive to support the "Warrior House" in Lomira. This organization tries to assist Veterans in special and unique ways that the U.S. Government does not offer. We are collecting food, household tools, etc.; however cash often helps fund a variety of needs for veterans. If you are interested in donating, or have questions, please contact Mrs. Stolaski or Mr. Wolf at Slinger High School.

**Slinger Area History/Culture Project** - The Slinger High School Social Studies Department is working with the technical education department and local citizens to help students gather information about the history and culture of the Slinger Area. This year's theme highlights **Construction and Trades** and **Working Lives**. Students are finding out the historical and cultural significance of this theme locally. Please consider helping add your story and input if a student asks. Students hope to share what they've learned at a Community Night on May 23rd. If you have a story to share about the topics above or an idea you think would be good for students to research, please contact any social studies teacher at Slinger High School. Stay tuned for future updates.
