

## School Breakfast Program at Addison, Allenton and Slinger Elementary

Dear Parent or Guardian;

The School Breakfast Program is available to **all students** every school day morning (except for days that there is a delayed start or school closing).

You do not have to register your child in advance. Your child can eat breakfast at school every day or on occasion. The price of school breakfast is \$ 1.35.

Students approved for Free or Reduced lunch benefits will receive breakfast at no charge.

These charges will be deducted from family food service account using the same method as lunch purchases.

All food service benefit information is kept strictly confidential. Students who receive free and reduced price meals are not identified in the lunch or breakfast lines.

School Breakfast is an ideal solution on busy mornings when kids are running late or parents have to be at work early. Whatever the reason, if breakfast at home is not convenient, please have your child take advantage of breakfast here at school.

Parents and guardians are welcome to have breakfast with their children and spend a little quality time before the school day starts. 😊 Adult / Visitor breakfast is only \$ 1.75.

**Thank you** to the families that have been participating – the children are definitely enjoying breakfast at school and we enjoy knowing that we are helping start the children's days off well fed and ready to learn.

Please feel to contact me with any questions or concerns you may have. The breakfast menu will be printed on our monthly lunch menu – please watch for this information.

Sincerely,

The Food & Nutrition Department  
School District of Slinger
