CURRICULUM COMMITTEE MEETING
SLINGER SCHOOL DISTRICT
SLINGER, WI 53086**

Monday, January 22nd, 2024

The curriculum meeting was called to order by Joe Havey at 6:00 PM in the High School IMC.

Members present: Cherie Rhodes, Jody Strupp, Ken Strupp, Brenda Lighthizer, Roman Weninger, and Gary Feltz.

Administrators present: Jim Curler, Kristi Brooks, Karen Hug, Patrick Armstrong, and building principals.

The Board heard an update on the 4K-5th grade math pilot and reviewed the Math Committee's recommendation to purchase Eureka Squared for the 2024-25 school year. Pending Board approval, remaining ESSER funds will be utilized to purchase a 7-year bundle that includes digital access, teacher manuals, and consumable student workbooks, totaling \$371,0637.87.

Brooks presented an update of the Student Service Program Review, including components being reviewed, piloted, or implemented this year: 30 teachers will be trained in Youth Mental Health First Aid on 2/19/24; SMS is implementing a school-wide PBIS model; there is a 4K-12 focus on student behavior and mental health needs; and administrators and counselors have been completed Trauma, Illness, and Grief (TIG) training. Brooks also presented usage data from Care Solace, a mental health navigation provider, which is being piloted this year using grant funds.

The curriculum meeting adjourned at 6:29 PM.
