BUILDING & GROUNDS COMMITTEE MEETING
BOARD OF EDUCATION
SLINGER SCHOOL DISTRICT
April 19th, 2021

Committee Members Present: Roman Weninger, Bruce Hassler, and Ken Strupp,

Administrators Present: Daren Sievers and Karen Hug

Other Board Members Present: Joe Havey, and Jody Strupp

Others present: Ben Frazer

1. Committee Chair, Roman Weninger, called the meeting to order at 6:00 pm.
2. Ben Frazer presented the 10-year plan at all five buildings. Items of significant expense in the next two years include LED lighting at Addison, bathroom renovations at SES, window well reinforcement at SHS, and roof maintenance at all three elementary schools.
3. Karen Hug explained the budget process for allocating funds for 2021-2022 projects and shared a document that showed the distribution of funds. Upcoming projects will be funded through a combination of designated maintenance budget monies, fund 41 monies, and District allocated monies.
4. Daren Sievers explained that ESSR II and III funding is still uncertain. Funds will be distributed using the Title I poverty level formula but there is still debate about whether there will be a per pupil allocation as well or if there will be a means to distribute funds based on how much in-person instruction has been provided. Once this final decision is made, the Board will hear a final report on the allocation provided by Slinger.
5. Weninger adjourned the meeting at 6:48 pm.
