3. Sievers and Hug explained the implementation process for moving to a time tracking system through “Tru-Time”. Staff are hearing about the process in building level presentations right now and will be formally trained on the process on August 26th, 2021
4. Sievers reported that the District had a very bad insurance “experience” year in terms of health insurance usage that could result in a significant premium increase. The District’s health insurance broker, NIS, has recommended going to market and the Board fully backed this idea. The District hopes to have a report in time for the May 24th Regular Board Meeting.
5. Rhodes adjourned the meeting at 6:40 PM.
