Committee Chair, Bruce Hassler, called the meeting to order at 5:30 PM.

The committee reviewed the present year's performance of Go Riteway Transportation Group. Sievers and school board members expressed concern about the driver shortage, route cancellations, and the inconveniences of delayed routes. Riteway leadership discussed the variety of strategies they are using to sore up their staff of drivers: increased wages, increased full time employees with benefits, paid training, recruiting via email, Facebook, and job fairs. They are hopeful the cumulative efforts will make for a better year in 2022-2023

Hassler adjourned the meeting at 5:55 PM.
