

We're excited to announce we have partnered with Horace Mann to bring you Student Loan Solutions — a new program that can help you manage your student loan debt and apply for federal loan forgiveness. This benefit is for Slinger School District employees and their family members.

You have a lot on your plate, and we know how easy it is to push your own financial well-being to the bottom of your priority list. We encourage you to sign up for your account and start exploring this new resource that will help you:

- Learn more about recent updates to the Public Service Loan Forgiveness (PSLF) program (effective date 10-1-2021 to 10-31-2022). If you have already applied for Student Loan Forgiveness you may be eligible for a recalculation due to the recent updates.
- Determine your best repayment plan & calculate your loan forgiveness potential.
- Receive ongoing support and guidance for current and future student loans.

This program is complimentary just for being a Slinger School District employee. Learn more and get started by visiting <https://www.horacemann.com/student-loan-debt-help/signup/nis>

After you have created your no-cost Student Loan Solutions account, loan coaches are available to help you via phone, chat and email. Due to firewall codes, the email replies may get hung up in your spam so please check your spam folder regularly and mark the email as not spam so you will continue to receive your information in a timely fashion.

We hope you will take full advantage of this valuable new resource!
