

222.1 ADMINISTRATIVE COMPENSATION AND BENEFITS

Administrative staff compensation will be formulated using the comp-a-ratio method. This method takes into account the median wage paid to individuals who hold the same or equivalent positions in other school districts as well as the actual work performance of the staff member being considered.

Administrator benefits will be listed in appendix A of each individual administrator's contract. Those benefits will include, but not be limited to, the benefits as outlined in the master agreement between the District and the Slinger Education Association.
