

CURRICULUM AND INSTRUCTION PROGRAM EVALUATION

Policy 334

Page 1 of 1

The assistant superintendent will have the responsibility for the coordination of the district curriculum and its desired outcomes, development of goals and objectives, recommending curricular materials and the development of appropriate instructional plans.

The curriculum and instruction program shall be reviewed and evaluated on a regular cycle in accordance with state law and revised as necessary to ensure that the students' educational needs are continually being met. Curriculum and program evaluation reports shall be made to the School Board on a periodic basis.
