

Any Slinger High School student may graduate after seven semesters and not attend for an eighth semester by completing the following requirements:

1. The student must have written consent of parents or legal guardian if completion is prior to the time the student reaches the age of 18.
2. The student must have completed all required courses and earned the total number of credits required for graduation.
3. The student must have completed all graduation requirements as outlined in board policy 345.6.

No formal graduation exercises are held at mid-year. Seventh semester graduates may participate in spring commencement exercises, if they follow the guidelines in board policy 345.62.

Preparation for graduation after seven semesters is the obligation of the student and parent and shall be made before the end of the seventh semester.
