RETURN THIS FORM TO YOUR PRINCIPAL

I have read this agreement and understand that the intent of this Acceptable Use Agreement is to ensure that student use of technology and information resources (e.g. hardware, software, Internet) in this school district are for educational purposes as per Policy 363 Acceptable Use of District Internet/Technology Resources - Student. I further understand that the District and/or its designee reserves the right to monitor all e-mail, network, system, and internet related activities of the staff member, and that such activities are considered to be public (not private) communications.

The District has taken steps to restrict access to controversial material. It is not possible for the District to restrict access to all controversial materials and I will not hold the district responsible for material acquired on email, the network, and/or the Internet nor the effect of those materials on me.

I understand that a violation of these provisions may result in my losing access to email, the network, systems, and/or the Internet and possible legal and/or disciplinary action, up to and including dismissal, on the part of the District or by the appropriate law enforcement agency.
