

Student records shall be maintained in the interest of the student to assist school personnel in providing appropriate educational experiences for each student in the District.

The School Board recognizes the need for confidentiality of student records. Therefore, the District shall maintain the confidentiality of student records at collection, storage, disclosure and destruction. Student records shall be available for inspection or release only with prior approval of the student's parent or guardian or the adult student, except in situations where legal requirements specify release of records without such prior approval.

On request, The District may disclose student records that are pertinent to addressing a student's educational needs to a caseworker or other representative of the Dept. of Children and Families, a county department under sections 46.215, 46.22 or 46.23 of the state statutes, or a tribal organization, as defined in 25 USC 450b(L), that is legally responsible for the care and protection of the student, if the caseworker or representative is authorized by the above mentioned organization to access the student's case plan.

Building principals shall have primary responsibility for the collection, maintenance and dissemination of student records in accordance with state and federal laws and established District procedures.

Student record notices shall be published annually in accordance with state and federal law.
