1. Sponsoring Organizations

Each organization shall be reviewed annually by the Principal/designee and Guidance Counselor for approval. Programs recommended for approval must be included on the Council on Standards for International Educational Travel (CSIET) advisory list and recommended based on prior exchange satisfaction. International exchange students sponsored by local service clubs with exchange programs that have prior approval from the district administration shall receive preference.

2. Students applying must be at least 16 years old age by the first day of the school year of proposed admission but not exceed age 18 years during the school year of placement.

3. Enrollment Procedure

a. School enrollment must be requested by May 15, preceding the school year of enrollment. Requests are to be submitted in writing to the high school principal and should contain the information listed in section 4 below.

b. The High School Principal and guidance counselor shall review the student's records prior to admittance.

c. Following the records review, the High School Principal and guidance counselor shall meet with the program coordinator to determine eligibility for admittance.

d. The host family shall arrange an enrollment meeting with the guidance counselor prior to the student's arrival and shall not accept a placement until the student has been accepted.

e. Because of its belief in the foreign exchange student program and its positive impact on the District, the Board authorizes the District to furnish the following items at District expense to foreign exchange program students: student passes to all home school activities, graduation announcements (limited to five), graduation cap and gown and a copy of the school yearbook. All other expenses are the responsibility of the foreign exchange student, his/her parents or sponsors.

4. Required Information

The sponsoring organization must provide the following information in writing at the time of the request for enrollment:

a. Method of student selection.

b. Method of determination of English proficiency (see #9 below)
