

455.1 STUDENT MOTOR VEHICLE USE

Students may be allowed to drive motor vehicles to school and park in designated student parking lots in compliance with established regulations. The Board reserves the right to issue regulations governing parking, to establish student parking fees, to withdraw the privilege of any student to park on school property, and to forbid an individual student from parking on school property at any time for continued violation of the established student parking regulations. Violation of the established student parking regulations may also result in a municipal fine.

The school district assumes no responsibility for the damage or theft of a vehicle or any item in a vehicle parked or driven on school district property.

The established student parking regulations shall be distributed to high school students and parents/guardians annually.

Reviewed, revised, and approved by the Board of Education on January 17, 2005.
