

The personnel policies adopted by the Board are intended to work to the advantage of both the employees and the schools of this district as a whole. All personnel policies will be administered by the principals under the supervision of the district administrator.

The goals of the district's personnel program shall include the following:

1. To develop and implement those strategies and procedures for personnel recruitment, screening, and selection which will result in employing the best available candidates, i.e., those with highest capabilities, strongest commitment to quality education, and greatest probability of effectively implementing the district's learning program.
2. To develop a general employment strategy that positively contributes to the learning program and to utilize it as the primary basis for determining staff assignments.
3. To develop a climate in which optimum staff performance, morale, and satisfaction are produced.
4. To provide positive programs of staff development designed to contribute both to improvement of the learning program and to each member's career development aspirations.
5. To provide for a genuine team approach to education.
6. To provide for staff welfare.
7. To develop and utilize for personnel evaluation positive processes which contribute to the improvement of both staff capabilities and the learning program.
