

630 TAX AND DEBT LIMITATIONS

The Board recognizes the right and responsibility of the electorate to establish the amount of monies to be raised by local taxes to support the educational system. To assist the electorate in making this decision the Board shall make a recommendation supported by documents in a format that conforms to state statute to the electorate at the district budget hearing duly advertised by legal notice.

The recommendations of the electorate at the budget hearing shall be presented at the annual meeting for consideration and adoption.

On or before November 1, the Board shall review that budget, anticipated revenue and expenditures, and establish a tax levy rate sufficient to carry out the business of the district.
