

The Board will develop and execute a continuing program of maintenance of all district owned buildings and grounds including annual building maintenance schedules. This program of maintenance will be administered in such a manner as to preserve the capital investment of the district in buildings and grounds and to prevent deterioration due to lack of proper care.

The district administrator, working with the manager of buildings and grounds, will carry out the policy above by:

1. Making recommendations for building and grounds improvements.
2. Establishing an adequate custodial program for all schools.
3. Providing for improvement and maintenance of school grounds and fields.
4. Scheduling repairs, including repairs of equipment and painting.
