

MAINTENANCE AND CONTROL OF INSTRUCTIONAL MATERIALS

Policy 741

Page 1 of 1

The Board will provide textbooks and other instructional materials and equipment, which are necessary to meet the curriculum requirements and special instructional needs of students.

Students will be issued textbooks for their course work on a rental basis in an amount as determined each year at the annual meeting.

The principals, in cooperation with the district administrator, will establish regulations pertaining to the acquisition, inventory, maintenance, and replacement of textbooks and instructional materials and equipment, including library books, reference materials, audio-visual aids, and special instructional materials.
