

INQUIRIES REGARDING SCHOOL STAFF

Policy 872

Page 1 of 1

Inquiries received by Board members relative to the conduct or actions of the district administrator in performance of his/her duties should be brought to the attention of the district administrator and members of the Board at a meeting of the Board of Education.

Inquiries relative to the conduct or actions of other personnel should be brought to the attention of the appropriate principal or supervisor for investigation and appropriate action. If the inquiry is not satisfied with the action taken at divisional level, the matter will be brought to the attention of the district administrator for review and appropriate action. If the inquirer requests Board action, the inquiry shall be submitted in writing stating the specifics of the allegation and the relief sought.
