1. Committee Chair, Roman Weninger, called the meeting to order at 5:00 pm.

The committee recommended that current rates for all spaces will stay the same, but the PAC will be \$130/hr for all users except the Village. Village use will be a flat fee of \$100. The committee also recommended all usage that requires sound and lights will need to pay our sound and light technician a flat fee of \$150 for prep, operations, and completion of the event.

Requests have been made to rent the PAC and acquire a Class B picnic license so alcohol can be served for select events. The Board discussed, but no recommendation was reached. The Policy committee will resume this discussion on November 26th.

3. Sievers presented a report on the emerging needs that accompany the PAC: scheduling of usage, management of usage, set up, tear down, stage changes, sound and light technician availability. Other Districts will be studied and needs will be addressed at a future time.
