## Attendance and Behavior

### Attendance, Dropout, and Suspension Data

(2018-2019 – Most recent data available)

The attendance rate is actual days students were in school divided by the number of days available in the school calendar for face-to-face-student-teacher contact. Dropouts are essentially students who stop attending class and have not graduated. The suspension rate is the number of days suspended divided by possible days of attendance.

Attendance Rate	Dropout Rate	Suspension Rate
