Message from the Principal

Congratulations to the Class of 2022 on their promotion to ninth grade. I wish them the best of luck as they move to the high school and continue on their path to success. As they leave, we're getting ready to welcome the Class of 2025 to our great school. They are in for a fantastic three years!

Our faculty and support staff enjoyed an outstanding year working with your kids. We had many successes during the year because of our caring and dedicated professionals. The challenging and rewarding classroom experiences combined with our educational and co-curricular programs helped us meet the needs of all students. As we move into next year, we'll continue striving for ways to make those classes and programs even better.

Have a fantastic summer and I look forward to seeing you at the Open House in August.

Sincerely,

Dean Goneau
Principal

Fall Registration

Registration materials for the 2018-2019 school year will be mailed out the last week of school. Also included will be a listing of the special courses your child has signed up for that will have additional fees. Parents should return the completed forms and fees by August 6th, in the envelope provided.

Your child's schedule, locker assignment, combination and all other important information will be mailed out the week of August 13th.

Each child will have a lock assigned for the school lockers and will be on the locker. The combinations can be found on her or his schedule. Only school locks may be used on lockers. If a lock is lost, the replacement fee is \$5.

Mrs. Havey will be in the office on a part-time basis during the summer. Please check the web site for office hours if you need to call or stop in with any questions. You may also email Mrs. Havey at joan.havey@slingerschools.org as she does check her email frequently.

Enjoy your Summer!

Food and Nutrition

- Please watch for an email during the summer from the Slinger Food and Nutrition Department. It will include updated information regarding the lunch program for the 2018-2019 school year. Families that do not have email access will receive a paper copy in the mail.

- For families who qualified for free or reduced price lunch during the current school year, those benefits will expire October 15, 2018.

- Direct Certification is the process where the Slinger School District certifies children for free lunch who are members of households receiving assistance under the Food Share Program. If you receive Food Share you do not have to complete a paper application – your children will be directly certified for free lunch benefits. You will receive a letter confirming this by the first week of the new school year.

- The 2018-2019 Free and Reduced Meals application will be available on-line, in each school office, or from the food service department at the end of July. Please follow the instructions if you wish to apply for these benefits for the new school year.

- Please contact the Food and Nutrition Department if you have any questions at 262-644-9615.

Thank you for your support. It has been a pleasure serving your children and we look forward to another school year filled with healthy meal choices. ☺

A school supply list for the 2018-2019 school year is listed on our website and also available in the middle school office. Copies have been sent to numerous businesses in the area to help make your school shopping easier.

Summer School

This year's summer school session begins on Wednesday, June 13th and concludes on Friday, July 13th. No classes are scheduled on July 4th-July 6th. Summer school hours are 7:45 to 12:00.

Box Tops for Education

Slinger Middle School News

In the school district's efforts to cut spending, we no longer print and mail newsletters or report cards. All newsletters and report cards are sent home via Skyward. If you would like to receive a paper copy, please contact Joan Havey in the main office at Slinger Middle School.

From the Slinger School District Office on Fee management:

As the school year comes to a close, it is important for you to check your child's account via Family Access. All fees must be paid before the new school year begins. Unpaid fees will remain on your account and will continue to accumulate from year to year.

To ensure you are paying the correct amount for next year's fees, please check Family Access to see if you have a credit balance on your account. If you do, it will be applied towards 2018-2019 fees. If you have any questions about Family Access please contact Annette Bock at 262-644-9615.
