Advisor/Contact E-mail Address	Matt.kolpack@slingerschools.org Brent.Hug@slingerschools.org			
Description of sport/club	SkillsUSA is a national organization that includes high schools and colleges and builds skill development in technical/vocational fields; and promotes leadership, and citizenship in young people.			
When does this sport/club begin?	First meeting –October			
What is the length of this activity?	Entire school year			
Are try-outs required?	No			
Are there cuts or limits to the number of participants?	Some competition areas have limits on number of entries per school.			
What are the membership qualifications?	Students must possess adequate skills in their skills in their technical area and exhibit appropriate attitude to join.			
List the main events/activities significant functions	We meet approximately 7 or 8 times per year. Much of the time is spent in preparation for regional and state competitions in CAD, cabinetmaking, carpentry, welding, small engines, some wiring, printing, advertising and design, architecture, team problem-solving, etc. Nationals are in June in Atlanta, GA. We also participate in some volunteer activities such as Enchantment in the Park at Regner Park in West Bend.			
Are there any extra costs to participate?	State and national dues are \$20 and it includes the club t-shirt			
Any other comments	A great organization for anyone who wants to increase their abilities and compete against other high school students from across the state. You will meet many new people and gain valuable experience that will benefit you when applying to colleges or for employment.
