

BRENT VANDERMAUSE

Athlete

Brent Vandermause's athletic tenure was highlighted by many leadership roles on successful championship teams. As team captain, Slinger's Football and Basketball teams were perennial powers in the Conference and the State including winning the State Football Championship (1998), an appearance in the DII Football Playoffs (1990), and trips to the Regional Final (1998) and Sectionals (1999) in Basketball.

As the consummate team-first player within effective offensive systems, Vandermause excelled as a distributor to the many playmakers on these talented teams and regularly dictated the pace and flow of the game. Vandermause amassed more than 30 touchdown passes as Quarterback and dealt over 200 assists with better than 1.5 assist to turnover ratio as the team's primary ball handler.

Vandermause's individual accolades include All-Conference selections as a Guard (1st team), Quarterback (2nd team), and Cornerback (1st team). Brent received Washington County 1st team honors for Quarterback, Cornerback, and Guard including Player of the Year recipient for Football in 1999. For these achievements, Brent was honored to represent coaches, teammates, and the supremely supportive Slinger community on the Wisconsin South High School All-Star teams for both Football and Basketball in 2000.

Of significant personal meaning, due to the team-first approach and joy for the game Brad Wiedmeyer so thoroughly embodied. Brent was privileged to be distinguished with the Brad M. Wiedmeyer Memorial HOOPS Award in 2000.
