

MITCH GEHRING

Athlete

Mitch Gehring was a very diverse athlete. He earned 11 Varsity Letters in three sports (Football, Wrestling, and Track and Field). While on varsity, Mitch earned several All-Conference recognitions along with several championships as part of the Parkland Conference. His dedication to hard work was enough to compete at such a level for all four years that he qualified for state competition seven times. He found himself on the podium five times. In addition he was a participant in the Shrine Bowl his senior year. He earned All-American status in Greco-Roman wrestling for his age division his freshman year.

Mitch was a very modest individual. He always strove to be his best on and off the field. Growing up, he was taught to have your actions speak for you, he seldom talked about his accomplishments. Mitch would treat every competitor as if he were a state champ. No matter how he finish he was gracious. Mitch was the type to help up an opponent that he had just pinned, decleatted, or out thrown.

Since High School, Mitch went on to college at UWSP and was a member of the football and wrestling team. He earned a second place conference finish. During all that Mitch married his high school sweet heart and had his first daughter. Last known Mitch had settled down back in Slinger with five children of his own. He is truly grateful for the honor of being a Hall of Fame member.

Graduated 1998
