

TRACY ROEVER (CONKLIN)

Athlete

Tracy Roever (Conklin) graduated in 1994 after excelling in both athletics and academics. Tracy was a four year letter winner in tennis, winning two Parkland Conference #1 doubles championships, team MVP, and serving as team captain as a senior. She earned two letters in basketball and was named team defensive player of the year as a senior. In soccer she was named team captain for the first four years of the program's existence and, despite playing as a defender, she led the team in both scoring and assists during her career. She was a second team all-conference selection as a freshman, earned first team honors for the next three seasons, and was twice named Parkland Conference "Player of the Year". She finished her Slinger High School career as class valedictorian, was recognized as a Wisconsin Academic Excellence Scholar, was Slinger's first recipient of the WIAA "Scholar Athlete" award, and played in the Wisconsin Masonic All-State soccer game (as pictured).

Building on the things she learned at Slinger, Tracy continued her education and athletics at UW-Eau Claire. She played soccer for the Blugolds for four seasons, finishing as the school's all-time assist leader, earning all-conference recognition for two years, and being named as team captain and MVP. After her junior year, she was named to the GTE College Division Five All-Academic team and was honored as the WIAC Scholar Athlete of the Year for soccer in 1998. She graduated summa cum laude from the UW-EC School of Nursing the following spring.

She is married, has three children, and lives in West Bend where she works as a cardiac rehabilitation nurse.
