Principals Message: We had our last scheduled parent-teacher conferences of the 2018-19 school year on February 28. Thanks to all of the parents who were in attendance. Please know that you can continue to stay connected and “in the loop” of your child’s grades by checking the Family Access function on our SHS Home Page.

Our students recently completed their high school course selections for the 2019-20 school year. Course selections are important in determining the courses offered, class sizes, number of sections, and staffing. These and other factors such as time conflicts between courses as well as limitations on the number of sections and courses offered all impact the success of a student getting their requested courses. At Slinger, our scheduling process is a very lengthy one. We do numerous practice runs of the schedule to minimize conflicts and provide students with a schedule that includes most of their requests. While no schedule will accommodate the requests of all students, ours has a much higher success rate than others. Our plan is to have a preliminary 2019-20 class schedule in the hands of students by the middle of May.

As of the writing of this newsletter, our senior students are completing the home stretch of their time at SHS. We are proud of their achievements and look forward to our Graduation Ceremony on June 9 at 1:30 pm when we can appropriately honor the students who have completed the graduation requirements of the School District of Slinger. Please join us for this special event. An additional opportunity to honor our students will take place on May 22 at 7:00 pm when we hold our annual Awards Night Program. We would love to see you at this event as well.

As always, thanks for your continued support of the Slinger School District. We look forward to a positive conclusion to an excellent school year.

High School Principal

SEMESTER EXAM SCHEDULE

The 2nd semester exam schedule is included in this newsletter. Please review the schedule and the guidelines and discuss them with your child(ren).

INFORMATION FOR 2019 - 2020 SCHOOL YEAR

You will be receiving a mailing in mid-July that will include a fee worksheet for each student in the household, a picture flyer for each student in the household, PBO enclosure, A/B calendar and open house/freshmen orientation flyer along with a return envelope. If you choose to use E-funds to pay these fees, that should be available beginning July 8.

Also in the mailing will be a list of courses that will require a fee. These course fees are not due at this time – DO NOT INCLUDE THEM with your worksheet fees. There will be a request for payment of course fees emailed in September.

Each student’s data information must be verified each year, i.e.: address, phone, emergency contact, etc. This needs to be done electronically, like it was done last year. You should receive an email in in May with instructions on how to do this. **Be sure to verify even if there are no changes.**

WISCONSIN CIVICS EXAM GRADUATION REQUIREMENT

In accordance with Wisconsin State Act 55, all students, starting with the Class of 2017, must take a civic test comprised of 100 questions that are identical to the 100 questions that may be asked of an individual during the process of applying for U.S. citizenship by the United States Citizenship and Immigration Services. The student must correctly answer at least 65 of those questions in order to graduate from high school. Those students taking American Studies 3 with either Mrs. Stolaski or Mr. Wolf this spring will have an opportunity to take this civics exam on **Tuesday, May 21st**. For more information about the required civics exam a parent can contact Mrs. Stolaski or Mr. Wolf or you can view the following link from the Wisconsin Department of Public Instruction: <https://dpi.wi.gov/social-studies/laws/civics/faq>.

APPROPRIATE STUDENT DRESS REMINDER

With the arrival of spring, now would be a good time for a reminder about the school dress code. Bare midriffs, tops with spaghetti straps, tops that reveal too much skin and other suggestive clothing are inappropriate for school. Our school works hard to maintain a positive academic setting and such attire tends to be a distraction and, at times, is disruptive to the educational process. While the items mentioned above are but a portion of our dress code, we encourage you to review the code in the student handbook with your student. Further, please make sure your student is not wearing any of the above clothing when they leave your house. First time violators will be told to change or given a T-shirt to wear. Further violations will lead to parent notification and utilization of our progressive discipline policy. Your cooperation and support on this matter would be greatly appreciated.

RUMMAGE SALE

Student Council is planning a rummage sale in the cafeteria on Sat., May 4th, from 8am-2pm. Donations can be dropped off in the office anytime before May 4th or at a rummage drop-off on Sat., April 13th, from 9am-noon. Needed: gently used clothes, toys, tools, home decor, dishes, gardening supplies, holiday decorations, sporting equipment, books, etc. No TV's accepted. This fundraiser will benefit Teresa's Closet charity and Student Council leadership activities.

ANNUAL AWARDS PROGRAM

The annual Award's Program is scheduled for Wednesday evening, May 22, beginning at 7:00pm in our Performing Arts Center. Senior students who have received scholarships are recognized at this ceremony along with underclassmen who receive scholarships to summer camps and others.

ATHLETIC NEWS

Scholarship Golf Outing

Mark your calendar for the Slinger Athletic Golf Outing, Dinner, and Auction on Friday, June 14 at Scenic View Country Club. Information can be found on the SHS website. Registration is set for 10:00am-11:00am with a shotgun start at 11:30am. Please come and join us for a great day.

IMPORTANT INFORMATION

Grading Policy

SHS adopted a "no F" grading policy for athletes and students participating in competitive activities. Grade checks for these students will be performed at the following times: end of 1st quarter; end of 1st semester; end of 3rd quarter; end of 2nd semester. If a student, at any of those grading periods, is failing one or more classes, he/she will be ineligible from competition for 15 school days and school nights. The student will regain competition eligibility on the 16th day as long as he/she is passing all classes per the cumulative grade.

Vaping & Electronic Cigarettes

Vaping and the use of electronic cigarettes is on the rise; however, the trend also has consequences as it relates to the Co-Curricular Code of Conduct at SHS and the Village of Slinger. The Village has adopted an ordinance that prohibits the sale of vapor products to persons under the age of 18. The ordinance also prohibits the purchase or possession of vapor devices/products for those persons under the age of 18. Violation of the ordinance may result in money forfeiture (1st offense - \$155.50).

The Code of Conduct enforces a violation for the use/possession/purchase of vapor devices/products (synonymous with smoking). The first violation is 20% of a participant's season; second offense 40%; a third offense results in a suspension for a calendar year.

Below are some informational websites containing information on vaping and potential risks:

HONOURS INC. SCHOLARSHIP CEREMONY

Our local scholarship foundation will hold their annual awards ceremony on Wednesday, April 3 at 7:00pm in the Performing Arts Center. Forty-three seniors will receive scholarships from this generous organization. The grand total for both college & vocational scholarships is \$176,000.

STUDENT PARKING APPLICATION FOR 2019-2020

Application forms for student parking for next school year will begin in early May. Students will be able to apply for their parking pass online once posted on the school website. Students should listen to the announcements for further information. Our student lots are color coded and students will be assigned to a specific lot - not to a specific stall. Therefore, students can park in any stall within their assigned color lot.

SUMMER DRIVER EDUCATION REGISTRATION

As announced in the January newsletter and on the school web site, Thursday, April 11 is the deadline to turn in registration forms. Students who register late will be accepted only if space is available. The cost for behind the wheel instruction is \$185 and classroom is free. The first classroom sessions start June 12 and ends July 2. There is another classroom session available from July 8 – July 26. Behind the wheel is offered at various times throughout the summer and in September. **Students are scheduled in order of birth dates, with the oldest students getting first choice of dates.** The students' schedules will be posted in the cafeteria by April 29. It is the student's responsibility to check the schedule and write down their date, time and location as soon as possible. If your scheduled time/date does not work for you, have your son or daughter email Duane Apel at the high school as soon as possible to see if we can work anything out. If not, your money will be fully refunded to you, as long as it is before June 1. Beginning June 1 there will be \$25 deducted from the refund. Note: This is a summer program only, and is NOT offered during the school year. See the Driver Ed link on the high school web site for registration forms and all the details!

CAPP CLASS INFORMATION

CAPP Informational Meeting for Parents

In addition to the Advanced Placement class offerings, there are five options for receiving dual college credits in the CAPP Program. There will be an informational meeting on May 13th, from 7:00-8:00pm pm in the cafeteria for parents and students to learn more about the dual college credit courses offered for juniors and seniors. Mr. Ourada and teachers will explain how students can earn 3 college credits for each course (College Writing, World Literature, Speech Communication, and Sociology) or 5 credits plus 13 retroactive credits for Spanish V. The course fee for a 3-credit course is \$300 (a fraction of the college cost) or \$500 for Spanish V.

The meeting will discuss the following topics: Students signing up for the program, registering for individual classes in fall and spring, credit transfer to hundreds of colleges and universities, eligibility requirements, grades, and transcripts.

If your son or daughter is enrolled in one or more of these five courses next year, and has a cumulative GPA of 3.25 or an ACT score of 24 or higher, please attend this important meeting. Students are welcome to attend with a parent. There will be a presentation from 7:00-7:30pm, and then students are encouraged to complete the online application immediately following the presentation from 7:30-8:00pm. A teacher will assist. ACADEMIC DECATHLON TEAM – Next year's topic is "In Sickness and In Health"

Congratulations to our Academic Decathlon (Ac Dec) team for another successful season this past year taking 6th place in Division 2 at the State Competition and having the 12th highest score in the State overall. Every year we are encouraging young great minds to carry on our tradition of academic excellence and compete on next year's Academic Decathlon team.

DON'T HAVE a 4.0 G.P.A.? That is AWESOME.....Academic Decathlon team is always looking for students who love to learn and want to become more intellectual and potentially get better at taking tests (like the ACT). Your class rank and GPA does not matter. There is a place for all who wish to try out, and you will be competing against students of similar GPA level. Don't miss out on this opportunity to grow academically.

Next year's topic of study is **"In Sickness and In Health"** – which is NOT a study about marriage, but of diseases, viruses, cancers, and epidemics. Exciting stuff. The Academic Decathlon program consists of competing in a series of 10 different areas; both content and skill driven. Content areas include Art, Economics, Literature, a Novel (next year's long work is the Book "Frankenstein" by Mary Shelley), Math, Music, Science, and Social Sciences. Skill areas are Speech, Interview, and Essay Writing. We will begin the sign-up process at the end of the 2018-2019 school year, and if you want information on this activity, please contact Michael Hamm at Slinger High School (michael.hamm@slingerschools.org).

There are many local businesses in many different career fields that will consider taking a student learner. Currently there are over 70 students in the program. If your son or daughter isn't sure or has question, or you would like more information regarding the internship and/or Youth Apprenticeship program, please contact the School to Work Coordinator, Russ Hermann at russ.hermann@slingerschools.org or 262.644.5261 ext.1010.

TEACHER APPRECIATION WEEK MAY 6-10

Student Council would like to recognize our wonderful teachers and staff for Teacher Appreciation Week May 6-10. They do so much for students, and StudCo wants to thank teachers with a week filled with activities, recognition, trivia games, and lunch each day. They need your help to make this successful.

Student Council members will be making door signs for each teacher. They will be making announcements and trivia contests. They are looking to give away raffle prizes each day for teachers. If you would like to donate a prize or money, please bring it into the school office to give to Mrs. Amy Keliher, Adviser, anytime between now and May 1st. Prizes can be a \$5 or \$10 or \$25 gift card, lotion or soap, treats, movie tickets, plant, or a craft/decoration – anything fun!

This is our third annual event, and the teachers LOVE it! They say it is their best week of the year. Student Council received tons of raffle prizes in the past so that 75% or more of the faculty won something. Contact amy.keliher@slingerschools.org for more information.

This is our third annual event, and the teachers LOVE it! They say it is their best week of the year. Student Council received tons of raffle prizes in the past so that 50% or more of the faculty won something. An email will be sent out after spring break to sign up to bring in food, supplies, or prizes for this week.

CELL PHONE ISSUES

High school policy requires all students to put cell phones away during the school day, from 7:25am to 2:31pm. **PLEASE DO NOT CALL OR TEXT YOUR STUDENT** on his or her cell phone with anticipation of a response during this restricted time. The students have been reminded of this requirement; consequences include the confiscation of the phone and a Wednesday detention. In spite of the communication about the policy and the consequences, many students continue to have their phone confiscated. This is a real challenge for the administrators who continue to believe that when reasonable expectations for behavior are communicated to all students those students who choose to ignore an expectation need consequences so their choices will improve in the future.

Schools with weak cell phone policies have had serious student management issues and academic integrity issues. Examples range from cheating on tests to pictures and videos taken in locker areas with cell phones. Slinger High School will continue to enforce strict guidelines with regard to cell phone use during unauthorized times. Please remind your child(ren) of the policy and support the issuance of consequences.

ATTENTION CLASS OF 2020: SENIOR PICTURE INFORMATION

In order for the Slinger High School yearbook staff to print the color senior picture in the yearbook, seniors must meet the requirements listed below.

- ❖ Senior portraits should be taken no later than August 1 in order for professional photographers to complete and submit to the yearbook on time.
- ❖ The deadline for any photographer to turn them in is September 30.
- ❖ The photographer of choice must provide one **color** glossy head-and-shoulders digital photo, vertical layout.
- ❖ Digital images must have a resolution of at least 300dpi. This jpg image should be emailed to ashley.rossman@slingerschools.org or sara.hansen@slingerschools.org. Please save image with student's last name and first name (i.e. Smith Joe).
- ❖ Clothing in the portrait must be appropriate: No uniforms or unusual attire. Pets, vehicles, or props are not allowed. No hats. Must follow school dress code (no bare shoulders, spaghetti straps, too revealing cleavage, etc.). This is to ensure a classy, respected yearbook. Students may take other shots for their own use, but the yearbook photo should be classy and not provocative.
- ❖ A "soft-focus" picture may appear slightly blurry in the yearbook. This is not recommended.
- ❖ **NEW:** If a senior does not submit a photo on or before September 25, the yearbook staff will use his/her school photo ID picture. There have been too many late photo submissions, and this has delayed yearbook production.
