CURRICULUM COMMITTEE MEETING
SLINGER SCHOOL DISTRICT
SLINGER, WI 53086
Monday, June 24, 2024**

Members present: Cherie Rhodes, Jody Strupp, Ken Strupp, Heidi Lofy, Brenda Lighthizer, and Roman Weninger

Administrators present: Jim Curler, Kristi Brooks, Karen Hug, Patrick Armstrong

The curriculum meeting was called to order by Brenda Lighthizer at 6:36 PM in the High School IMC.

The Board heard an update on the ACT 20 Reading Law:

1. The Statewide reading screening assessment was announced last week (aimswebPlus) and must be implemented by January. No other details have been provided from the State at this time.
2. The District Reading Committee evaluated several reading trainings that were approved through ACT 20, which all 4K-5th grade teachers will participate in. The committee selected COX Campus Early Reading training through Rollins Center for Language and Literacy. This training is 40 hours and will be conducted throughout the school year over the next two years.
3. Brooks and Sankey proposed a change to the 2024-25 school calendar that would make two current half days at the elementary level “non-student” days, so teachers will have more time to complete required training – as well as implementation of Eureka math: October 17 and February 6. This will be discussed further at the regular board meeting.

The curriculum meeting adjourned at 6:59 PM.
