Heard a report from Chris Ziegelbauer regarding their recent trip to Europe with 30 students. Sievers presented an administrative recommendation to approve a Social Studies trip to New York City in the spring of 2020. Ziegelbauer presented information for the proposed trip. After discussion, motion by Havey, seconded by Weninger to approve the trip to New York City in the spring of 2020 as presented. Motion carried. The Board thanked Ziegelbauer for his many years of chaperoning the Euro Trips as he passes the baton for those trips to high school social studies teacher, Emily Lofy.

Sue Henkel and student representatives presented a report on their recent International Club trip to Brazil, and thanked the Board for allowing them this opportunity.

Sievers presented an administrative recommendation to approve a letter of retirement for Keri Hansen, a regular education aide at Allenton and summer school secretary. This was Keri's 25<sup>th</sup> year of working in the district. The board asked Sievers to express their appreciation for her many years of service. Motion by Weninger, seconded by Haluzak, to approve the retirement request. Motion carried.

Sievers presented an update on school safety decisions. Over spring break, all of the door locking mechanisms were installed in all buildings. The state safety money is not available to our district as we recently passed a referendum. However, safety enhancements are continuing including additional security cameras. Research continues on additional safety measures. Feltz mentioned inviting police and county deputies into the schools,

park in front of the building, etc. Sievers updated the Board that the Washington County deputies do visit Allenton and Addison daily (unscheduled). Boyd updated that cameras have been installed on all admin laptops, the police department, the sheriff's department, etc. She is getting estimates for additional door alarms and will report back to the board.

Weninger presented a report from the Buildings and Grounds Committee regarding the most recent steering committee meeting, including the latest round of decisions made by the committee. Karius updated the status of roofing projects, parking lots, sidewalks, window wells, loading docks, etc. HVAC is now in great shape in all buildings. Sievers presented a report of additional projects with associated costs, funding sources, and timelines. Rhodes recapped the recent tour of the construction areas at the high school.
